

October 25, 2021

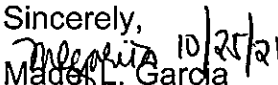

Dear Sir Ryan Bruñidor,

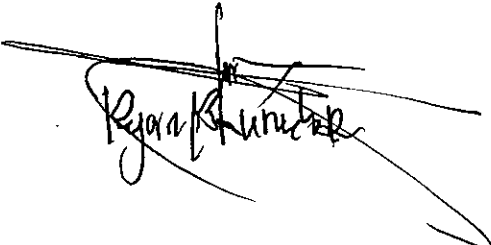

Please accept this letter as formal notification of my resignation from the position of Customer Relations Management Assistant with Autohub Group of Companies. I wish to have my last day on November 24, 2021.

I must thank you for the opportunity to work in this role for the past three years. During my tenure, I had the chance to work with different people from other dealership specifically from CRM Department. Together with our department and with the company's initiative, I appreciate the training sessions and the chance that was given to me so that somehow I can exercise my profession as a teacher (being a speaker at NEO).

In the next three weeks, I will complete all my pending tasks and I am willing to assist in the hiring and training of new employee during that period.

I wish you and the company more success and hope to keep in touch.

Sincerely,

Maged L. Garcia 10/25/21
