Mr. Danny Chua

I am writing this letter to let you know that I am resigning from my position as FGE Manager due to health reasons. I thought I would be able to handle difficult situations, but after working there for some time the stress has simply become too much and my health is beginning to show the signs. My last day of work will be October 18, 2021. I would like to offer my apologies for any inconvenience this may cause to anyone at FORD Autohub.

I will continue to hold FORD Autohub in high regard but look forward to my future elsewhere. Thank you for your understanding and cooperation in this matter.

Yours sincerely,

  
Catherine Palma
