Ms Teresa Fatima Brailley-Abalos-OIC-POD Assistant Manager

Please accept this letter as my formal resignation as the Performance Management Coordinator (PMS) at Autohub Group of Companies (AGC), effective one month from today, September 23, 2021.

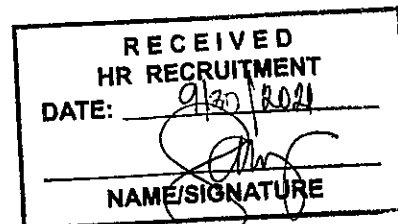

During my time at Autohub, I have been fortunate with the opportunity to grow and learn more about the Automotive Industry and having gained a great amount of knowledge specifically in the area of Performance Management. With my 4 year stint as the PMS Coordinator being exposed to different levels in the organization, I will bring with me all the knowledge and valuable learning's that I gained from different people that I got to interact with. It has been a sincere pleasure working with everyone in the company specifically to the POD and CorPlan Team/Family. Your guidance and support have prepared me well for the future.

I hope that we will have opportunities to collaborate in the future.

Please let me know how I can be of help during the transition period. I wish you and the company the very best going forward.

Best wishes and thank you for everything,

Isabel M. Uy
