Dear Sirs and Ma'am,

Please accept this letter of resignation from my position as a Sales Executive effective immediately. I am very sorry i didn't report to work and ignore the viber messages last thursday until today. I have some personal problems that i am battling until now and it very difficult for me to focus on work.

Thank you for the opportunity to work with your company. I will turn over my clients and prospects to my colleagues as soon as possible.

Thank you and i wish nothing but success to the team.
